The Deacon of Hope charity was created in honor and memory of **Deacon Orłowski**, whose giving heart inspired this organization to help families in our community. Deacon's goal in life was to spread kindness and love. Our organization's purpose is to continue spreading kindness and love in Deacon's name as a beacon of hope.

“One specific goal Deacon wanted to attain was to become a camp counselor. Through his experiences as a camper, he found mentors, created new friendships, and learned life skills while making fun memories.”
